In other words, to show the people just what the Liberals have done to give free and honest government to the country. Now it is proposed by Alexander Smith, of Ottawa, late organizer of the part, to institute Liberal Clubs all over Canada for the discussion and prim-ulgation of public questions. COMMISSIONER FOR R

To Our Patrons

We appreciate your patronage and we intend by this great offering to show you that we intend that you shall profit by our prosperity.

To Our Co-workers

Your loyal efforts have in a great measure made pos-sible this startling announcement and we wish to as-sure you that you too shall share in our prosperity.

ne Hundred Thousand Do rth of Goods at Cost in 1

That is Our Pledge to Hamilton and Wentworth County In Return for Having Given Us the Greatest Year In Our Business History

We did a big volume of business in December that was simply astonishing—and also increased our business for 1919 by an amount that made it necessary for us to at once make plans for increased space. We believe that the public who made this the fastest growing store in Hamilton should share in the benefits derived from this rapid growth.

We have again proven that our platform of "Fair, Square and Liberal" is the right foundation to build on, and that this is, by all odds "The Greatest Store in Hamilton"-ranking high with the best stores in the country.

You May Ask "Why Does the Daylight Store Want to Sell One Hundred Thousand Dollars' Worth of Goods at Cost"--Here Is Our Answer:

As our business increases the percentage cost of operation is automatically lessened. The tremendous gains we have made in 1919, together with the gains we anticipate for 1920, put us in a position to distribute One Hundred Thousand Dollars' worth of goods at its cost to u

In fact, we believe that our business will continue to increase so that by the end of the year we shall look upon 1920 as one of the most satisfactory years in our history.

We are taking this means of showing our appreciation to Hamilton and the Country for the grand and unstituted support given to The Areade since its inception in 1910, placing it among the fastest-growing department stores in Canada.

This offer comes in the shape of an immense contribution of thanks and gratitude to all our friends. You who take advantage of it will find a corresponding and substantial reduction in your living costs, because you will be buying merchandise of every description at prices obtained by this gigantic institution, without any profit whatever

Goods to be sold at cost may be advertised in our daily columns or they may be displayed in the departments without newspaper advertising,

We shall in no case call specific attention to the articles offered at cost, and shall leave it to your judgment to select them.

From time to time we will advise you as to the amount sold at cost.

There will, of necessity, be a continuous change in the items placed on sale at cost. They will be distributed throughout the entire store.

Without a desire of boastfulness we have no hesitancy in saying that we believe this to be the most astounding and

epoch-making announcement in the history of the Daylight Store, or any other store. We hope you will accept this as our contribution to make 1920 a year of cheer and happiness

Five Thousand Dollars to Churche's and Charities in 1920

This Is Another Gift to Hamilton and Vicinity In Return for the Success of Our Recent Contest -- Read the Particulars is

By concentrating your buying at The Arcade during the recent Church and Charity Contest you made it possible for us to reduce our running expenses so materially that we are able to distribute \$3,000 to Churches and Charities, and, at the same time, we were able to reduce the price of merchandise to the customer.

This Contest, with our sale of One Hundred Thousand Dollars' worth of goods at cost in 1920, should give our old friend "The High Cost of Living" another whack which he will remember, and the fact that you are helping such worthy causes as our Churches and Charities, will be a pleasant thought to carry with every purchase.
